SPONSORED CHILDREN

{slide=Hamza Isaah}

Date of birth: September 1998

Family history: Hamza lives with his paternal grandmother who sells maize and has a semi-permanent house and low economic status. Hamza and Sumeya Machani Issa (who also attends the centre) have the same father but different mothers. Their father died in 2001 of an AIDS related illness, and Hamza's mother is also dead but the year is not known. Hamza was found happy and healthy looking and came to the centre in 2005. Hamza wants to be a teacher when he grows up.

Hamza is supported by a UK sponsor.

{/slide} {slide=Fadhili Kumaruti}

Date of birth: 10 April 1996

Family history: Fadhili lives with his paternal uncle who earns his living with one dairy animal meaning their living standards are not up to date. This was portrayed from how the child was found in tattered and dirty clothes with his food being served on utensils. Fadhili's mother died in 2004 and his father died in 2003, both from AIDS related illnesses. Fadhili has a twin brother, Yassin Magero, and the two have been separated each living with different uncles. The uncles have a rift between them as each one wants guardianship of both the twins and each uncle speaks ill of the other. Fadhili wants to be a doctor when he's older.

{/slide} {slide=Yassin Magero}

Date of birth: 10 April 1996

Family history: Yassin lives in a sizeable semi-permanent house with his uncle and is comfortable and happy. They work on one acre of land and sell milk for a living. His mother died in 2004 and his father died in 2003. Yassin has a twin brother, Fadhili Kumaruti, and the two have been separated each living with different uncles. The uncles have a rift between them as each one wants guardianship of both the twins and each uncle speaks ill of the other. Yassin has a ringworm infection that doesn't respond to treatment, the plan is for Yassin to be dewormed and then the infection treated. Yassin wants to be a teacher when he grows up.

Yassin is supported by a UK sponsor.

{/slide} {slide=Victor Maloba Oulo}

Date of birth: January 1995

Family history: Victor's father died in 1996 and his mother in 1999. Victor lives with his best friends, Hamza Osundwa and Malik Were, and their father and step-mother. Victor came to the centre in 2003 in tatters and desperate.

Victor is supported by a UK sponsor.

{/slide} {slide=Daniel Manyasa}

Date of birth: 2002

Family history: Daniel lives with his Grandma and on a plot bought by his Grandma's son. The Grandma has no land and so survives by working for other people. She lives with four grandchildren and has no proper source of income for looking after them. We have no details on Daniel's parents. His younger cousin, Shadrack Neteide, and older sister, Electine Khambaya, also attend the centre.

Daniel is supported by a UK sponsor.

{/slide} {slide=Moses Mudenyoy}

Date of birth: Unknown

Family history: Moses lives with Irene Mudenyoy's daughter JoAn. She is economically stable and has a very supportive family. They live in a big house within a good environment. Moses was abandoned in Irene's sugar can field by an unknown parent and was found by Irene looking weary, hungry and bitten by insects. Moses is referred to as the child founder of Noah's Ark day care centre in 2003. No family history in known. When Moses is older he wants to be a pilot.

Moses is supported by a UK sponsor.
